Targets for employment

† 2951. SHRI BRATIN SENGUPTA: Will the Minister of LABOUR be pleased to state:

(a) the targets set for providing employment during the Eighth Five Year Plan period, State-wise;

(b) the number of persons who were actually provided with employment;

(c) the reasons for not achieving the expected targets; and

(d) the number of persons whose names arc registered with the State Employment Exchanges as on date and the comparative data of the same during the last three years?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI MUNI LALL): (a) to (c) As per the 8th Plan document of the Planning Commission, an average employment growth of around 2.6. to 2.8% per annum was aimed at for the 10 years period with a view to bring the economy to a near full employment situation by 2002. As against this, the estimates of realized growth was of the order of 2.3 to 2.4% during 1978-94. The shortfall was mainly due to the economy not growing at the desired pace. State-wise projections are not made in the Plan document.

(d) The number of job-seekers, all of whom are not necessarily unemployed, registered with the Employment Exchanges at the end of 1998, 1999 and 2000 was of the order of 400.9, 403.7 and 413.4 lakh respectively.
